Senior Class History

We the class of '26 entered Uhrichsville High School in the year of 1922. As Freshmen we commenced work in the Uhrich Street Building, but in January of 1923 we entered the New High School Building which has been a great inducement for better work. We had the same trials as other Freshmen but succeeded in overcoming all of them. The Class Party was held in the Uhrich Street Building.

Our Sophomore year we organized and settled down to a year of marked success. The class had lost a few members, about eighty-seven remained. We had representatives of our class in every athletic sport and many received honors in scholarship. The Sophomore party was held on St. Valentine's Day in the High School Gym.

Our Junior year became more difficult. It was like a mountain which, on nearing the top, becomes so steep that one despairs of reaching its heights. Even with those obstacles to meet, our efforts were not in vain, for we made excellent records. The Junior party was held on St Patrick's Day in the High School Gym. The last social event of the year was the Junior—Senior Banquet which was a great success.

Our Senior year has come! How old and responsible it has made us feel to be called Seniors. All these years we have been laying the foundation; now we are ready to start the building—how large or how small each building will be depends on the foundation that each one has laid. Some have decided that this will not be the end of their school days, but will seek higher education in Colleges and Universities.

The Seniors held their annual party the first semester and a Senior-Freshman party the second semester. Now we are looking forward to the Junior-Senior Banquet and the Alumni Banquet. Our High School career will close with the Baccalaureate sermon and the Graduation exercises.

Allow us to express our appreciation by telling you how glad we are to have been here the past four years and how sorry we are to leave. May the friendships we have formed in our school days, the springtime of life never be forgotten. May the Spirit of Uhrichsville High School remain with us an unquenchable fire throughout our lives.

Richard Fiedler.

When the Class of 1926 entered the Uhrichsville High School, James R. Robinson entered also. He has been a friend and teacher since we were Freshmen and we wish him the best of good fortune in the future.

Junior Class History

In 1923 one hundred and five pupils entered the race for education. The race was to be held at the Uhrichsville High School Building, and was to be of four years duration. Those keeping up the race to the end were to be awarded a "Diploma."

The first year was quite an easy one and few were eliminated. Hal Cummings was chosen as our president and the race began. Eight members of our class, who did especially well in their studies, were elected to the "E" Association. The Senior's gave a Hard Times Party in honor of the "Freshie" Racers" which was enjoyed by everyone. It was the only social event of the year. At the end of the year, a number had distinguished themselves in studies as well as in athletics.

The next year proved to be a more difficult one than the first. Many became discouraged, and dropped out. Nedra Ramsour was chosen as our leader for the second lap of our race. This year our studies proved to be our most serious obstacle. For this reason many gave up. Only two of our class succeeded in remaining in the "E" Association. However, our success in athletics helped counteract our weakness in our studies, for several of the class were valued members of the fotball and basketball teams. In April, all the survivors enjoyed a "Spring" Party. Then that year faded into mere memories.

The third year we reached the climax of our difficulties. Several of the class failed to overcome them so we are only seventy in number. Nedra Ramsour was again chosen to lead us. The racers have established a record for earning money. In Athletics we played a very important part. We had our annual party, a kid party, which carried us back to our childhood days. Everyone is planning eagerly for the Junior-Senior Banquet which it is hoped will be the best ever. Our third year will soon have passed and we shall think sadly of the day when our race will be complete and the chosen band shall receive their reward.

History of Sophomore Class

On a bright September day in the year of 1916, one hundred and thirty timid boys and girls were ushered into the primary halls of Uhrichsville, who, as the fates had decreed were destined to conquer. By the aid of able and patient instructors we mastered the alphabet and reading. Still a more difficult struggle awaited us that of arthmetic. That too was conquered.

As the years passed slowly by, we were ready to enter the eighth grade. Everyone entered into the spirit with enthusiasm. With the assistance of our teachers, we were able to have a St. Patrick's Party.

Then came the day in which we were to enter High School. That was a day of great excitement and confusion. While in our Freshmen year, the Seniors entertained us at a Valentine Party, which was enjoyed by all.

This year has been a noble one for Sophomores. We have grown in wisdom and stature. We have had our difficulties and conflicts, but through them all we have come without dishonor.

So while our past is great, we trust our future will yet be greater, not only in High School, but in life's great school. All honor, then, to the Sophomores of '26, and the future Seniors of '28.

Ruth Fowler.

Football

With only two players of last years team, Uhrichsville High's prospects for a winning football team seemed anything but bright when the call for gridiron candidates was issued last fall. The first of the season was a difficult one for inexperienced men. By mid-season, however, the team was beginning to show the same class that has distinguished Uhrichsville teams of the past.

Newcomerstown was the first to fall before the black and gold. The visitors presented a "husky" team but they were unable to cope with the locals forward pass attack. The final score was 19—6.

The following Saturday, Millersburg contributed a technical victory to the U. H. S. total. Commissioner Townsend of the State Athletic Association ordered the game to be forfeited to Uhrichsville by a 1—0 score.

Alliance High secured ample revenge for their previous 35—0 defeat at Uhrichsville by handing the locals the short end of a 52—0 count.

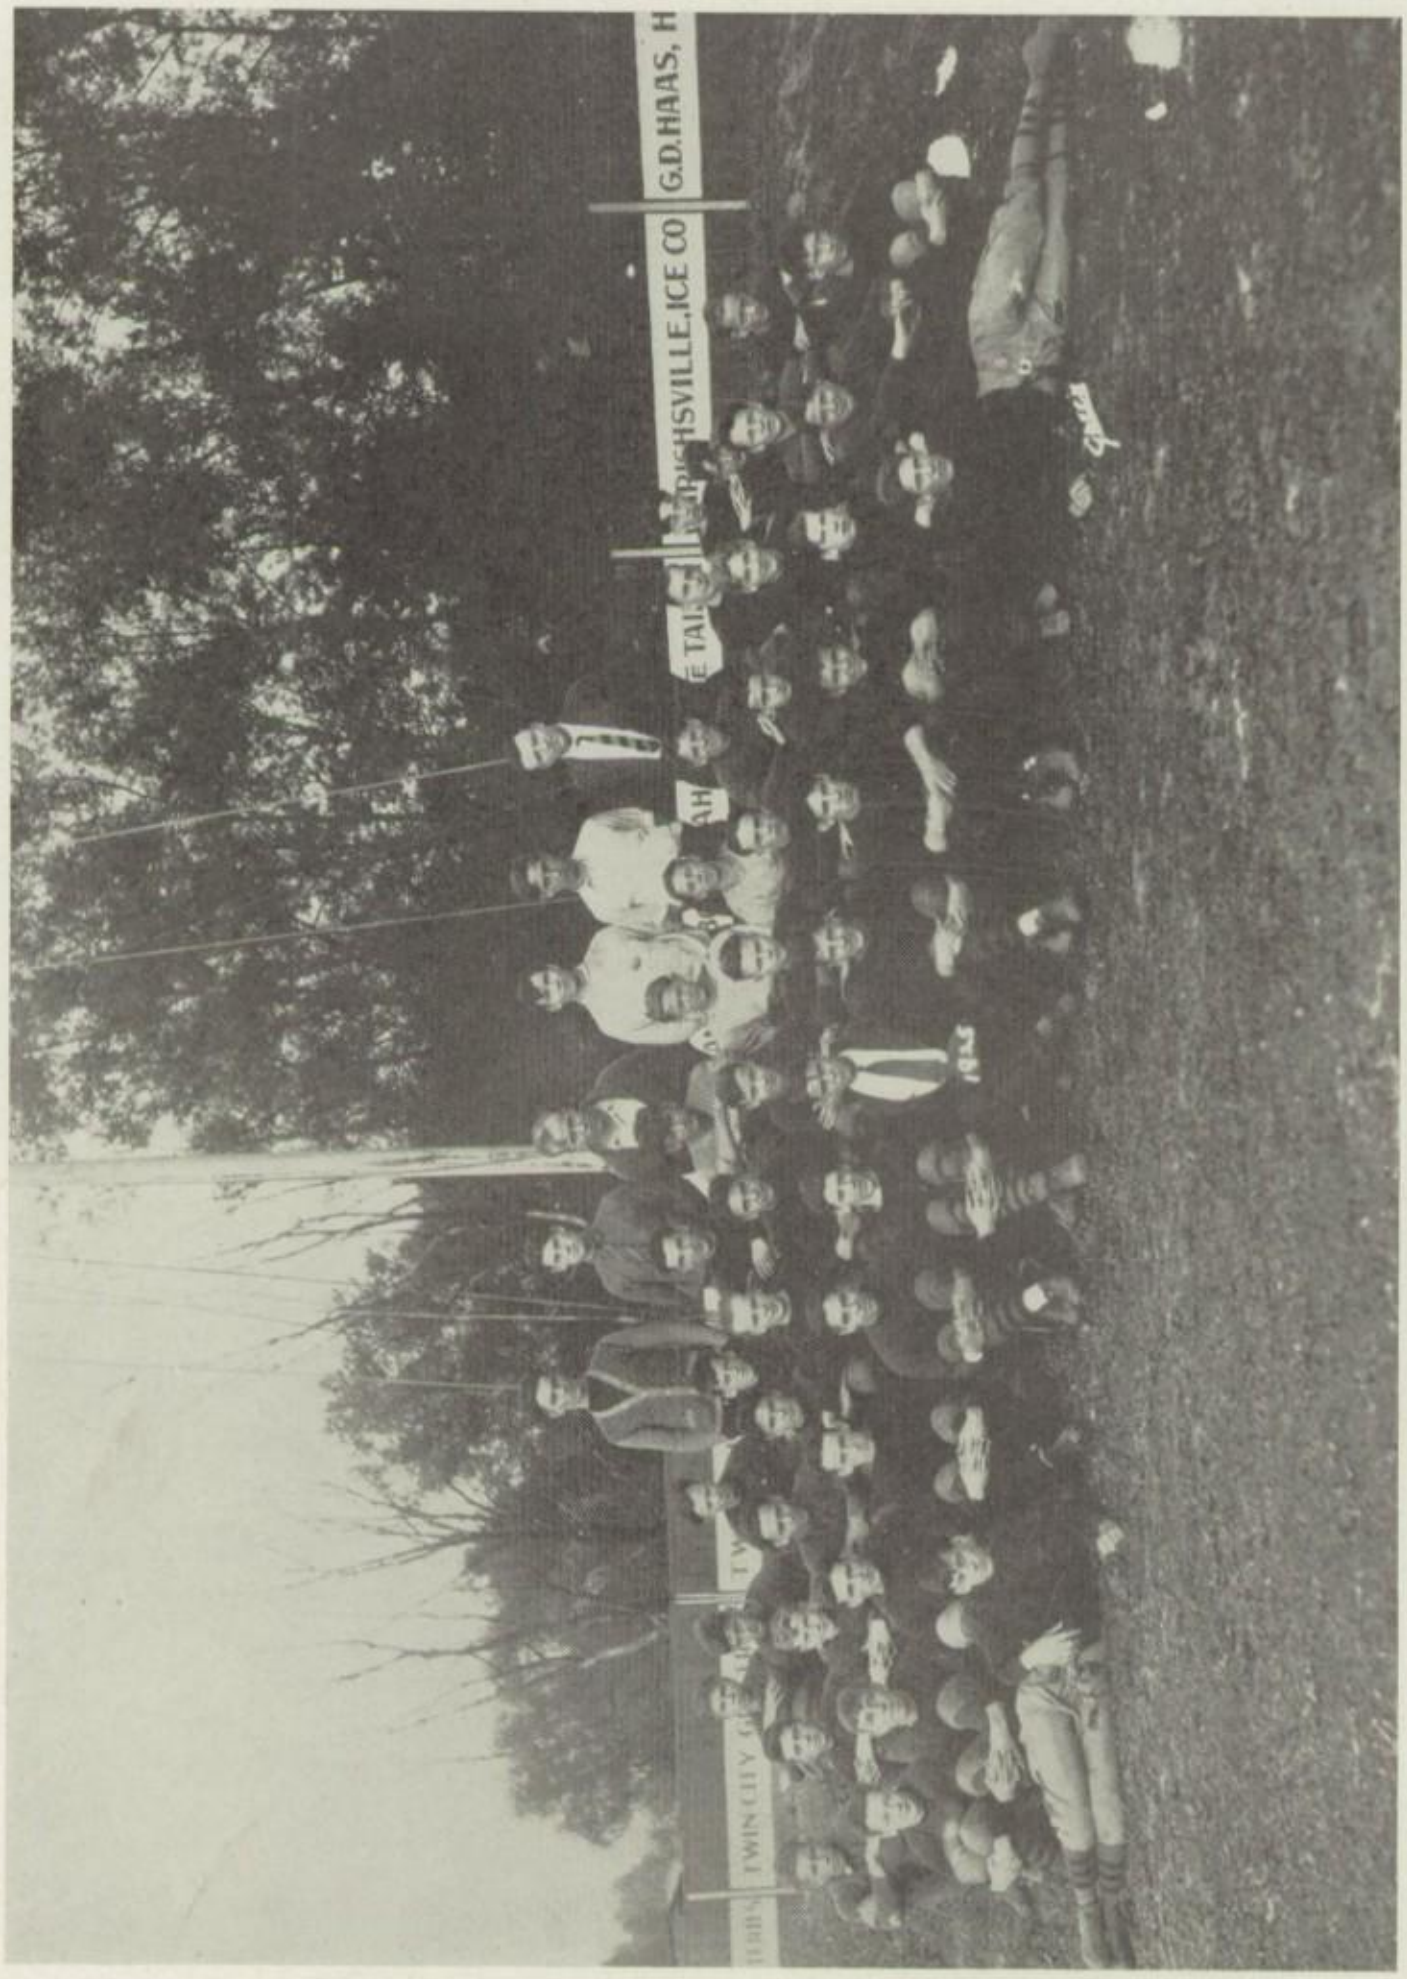
Dover caught the locals before they had recovered from the Alliance game and defeated them for the first time in four years. The score was 20—0.

Playing in a sea of mud, Coshocton managed to hold the locals to 0—0 score. The slippery condition of the field hurt the passing game of Captain Varners boys.

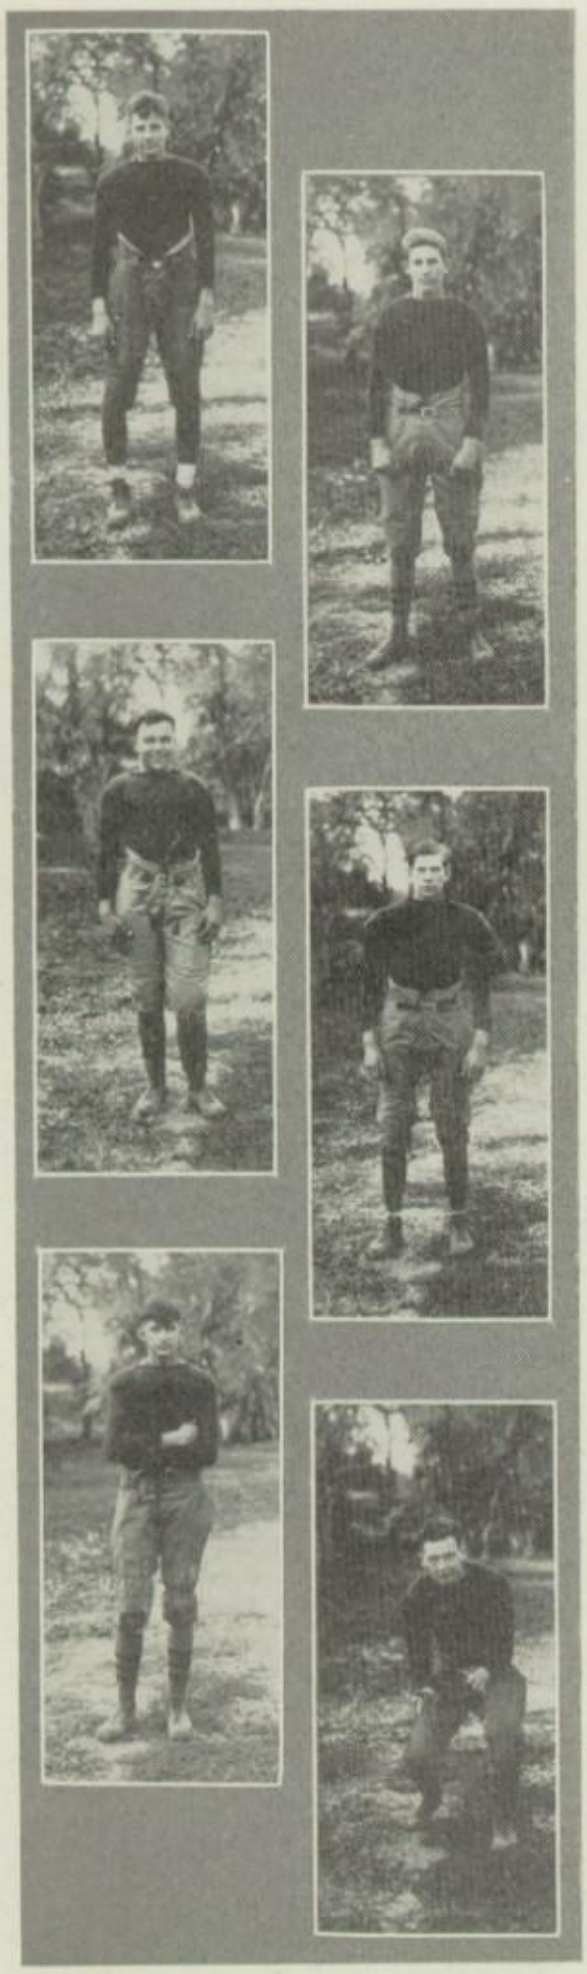
East Union High fell before a crushing line attack by a 6—0 score. U. H. S. made 16 first downs to their opponents two but over anxiety and consequent mis-plays kept the score down.

Varners line-smashing tactics and Bromwich's defensive playing stood out in the overwhelming 21—0 defeat of the strong Muskingum Academy team. Touted as one of the strongest scholastic teams in this section, the visitors failed to live up to advance notices.

Dalton High was the Thanksgiving Day attraction. From the initial kickoff till the final whistle U. H. S. played real football. The visitors were smothered by a 29—0 score. This was the last high school game for Varner, Furbay, Kowars, Greenlee, Long and Dietrich.



FOOTBALL SQUAD



ALVIN GREENLEE—*End*

Playing his first year of football "Al" did his share in making the season a success. He was always there to get his man after every kick. He graduates this spring.

EDWIN MOODY—*Tackle*

Besides making his side of the line a stonewall on defense, "Ep" opened holes that paved the way for many a gain. Great things are expected of him in his remaining two years.

ARTHUR KOWARS—*Guard*

"Art" was the guard every opponent feared. He was equally "savage" on either offense or defense. He has played his last high school game.

HARTMAN WEST—*Center*

Altho every game was played on a slippery or muddy field "Snakes" rarely made a bad pass. He should make an envious record for himself next year.

HALDEAN CUMMINGS—*Tackle*

It was not unusual for this big tackle to get his man behind the line. He should make one of the best tackles ever developed at U. H. S. in his remaining year.

ROBERT MARSHALL—*End*

This "Scrapper" was one of the two veterans on the team. He was a deadly tackler and a good receiver of the forward pass. He will return next fall.

CHESTER LONG—*Quarterback*

Filling his brother "Hud's" shoes at quarterback was a big assignment, but "Chet" made good with a vengeance. His handling of a muddy ball in each of the last three games was especially noteworthy.

GERALD VARNER—*Fullback* (acting captain)

"Jerry's" ability to get a yard when it was needed pulled his team out of many a tight place. This was his second and last year of varsity play.

ROY DIETRICK—*Half*

"Diet" was the fastest man on the squad and figured in many long end runs. This was his first and last year of football.

JAMES RONALD—*Half*

Playing his first year of varsity ball "Jimmie" more than made good. Much is expected of him in his remaining two years.

MAURER—*Half*

Although only a Freshman, "Chick" bids fair to outshine his illustrious brother, "Gig". His work in the Muskingum game was especially brilliant.

RONALD COPELAND—*Half*

"Copey" gained the experience he needed this year to make a real football player. He has three more years in which to gain a reputation for himself.

CHARLES HASKINS—*Tackle*

Owing to injuries "Hack" was forced to retire in mid-season. His deadly tackling would have been a valuable asset to the team.

PAUL WILLIAMS—*Half*

When the line failed to open holes for this hard hitting back he made them for himself. He has two more years to play.

JOHN LATTO—*Guard*

"Tubby" made a name for himself in the Alliance game, but injuries he received at Dover forced him out of the game for the rest of the season.

PAUL JONES—*End*

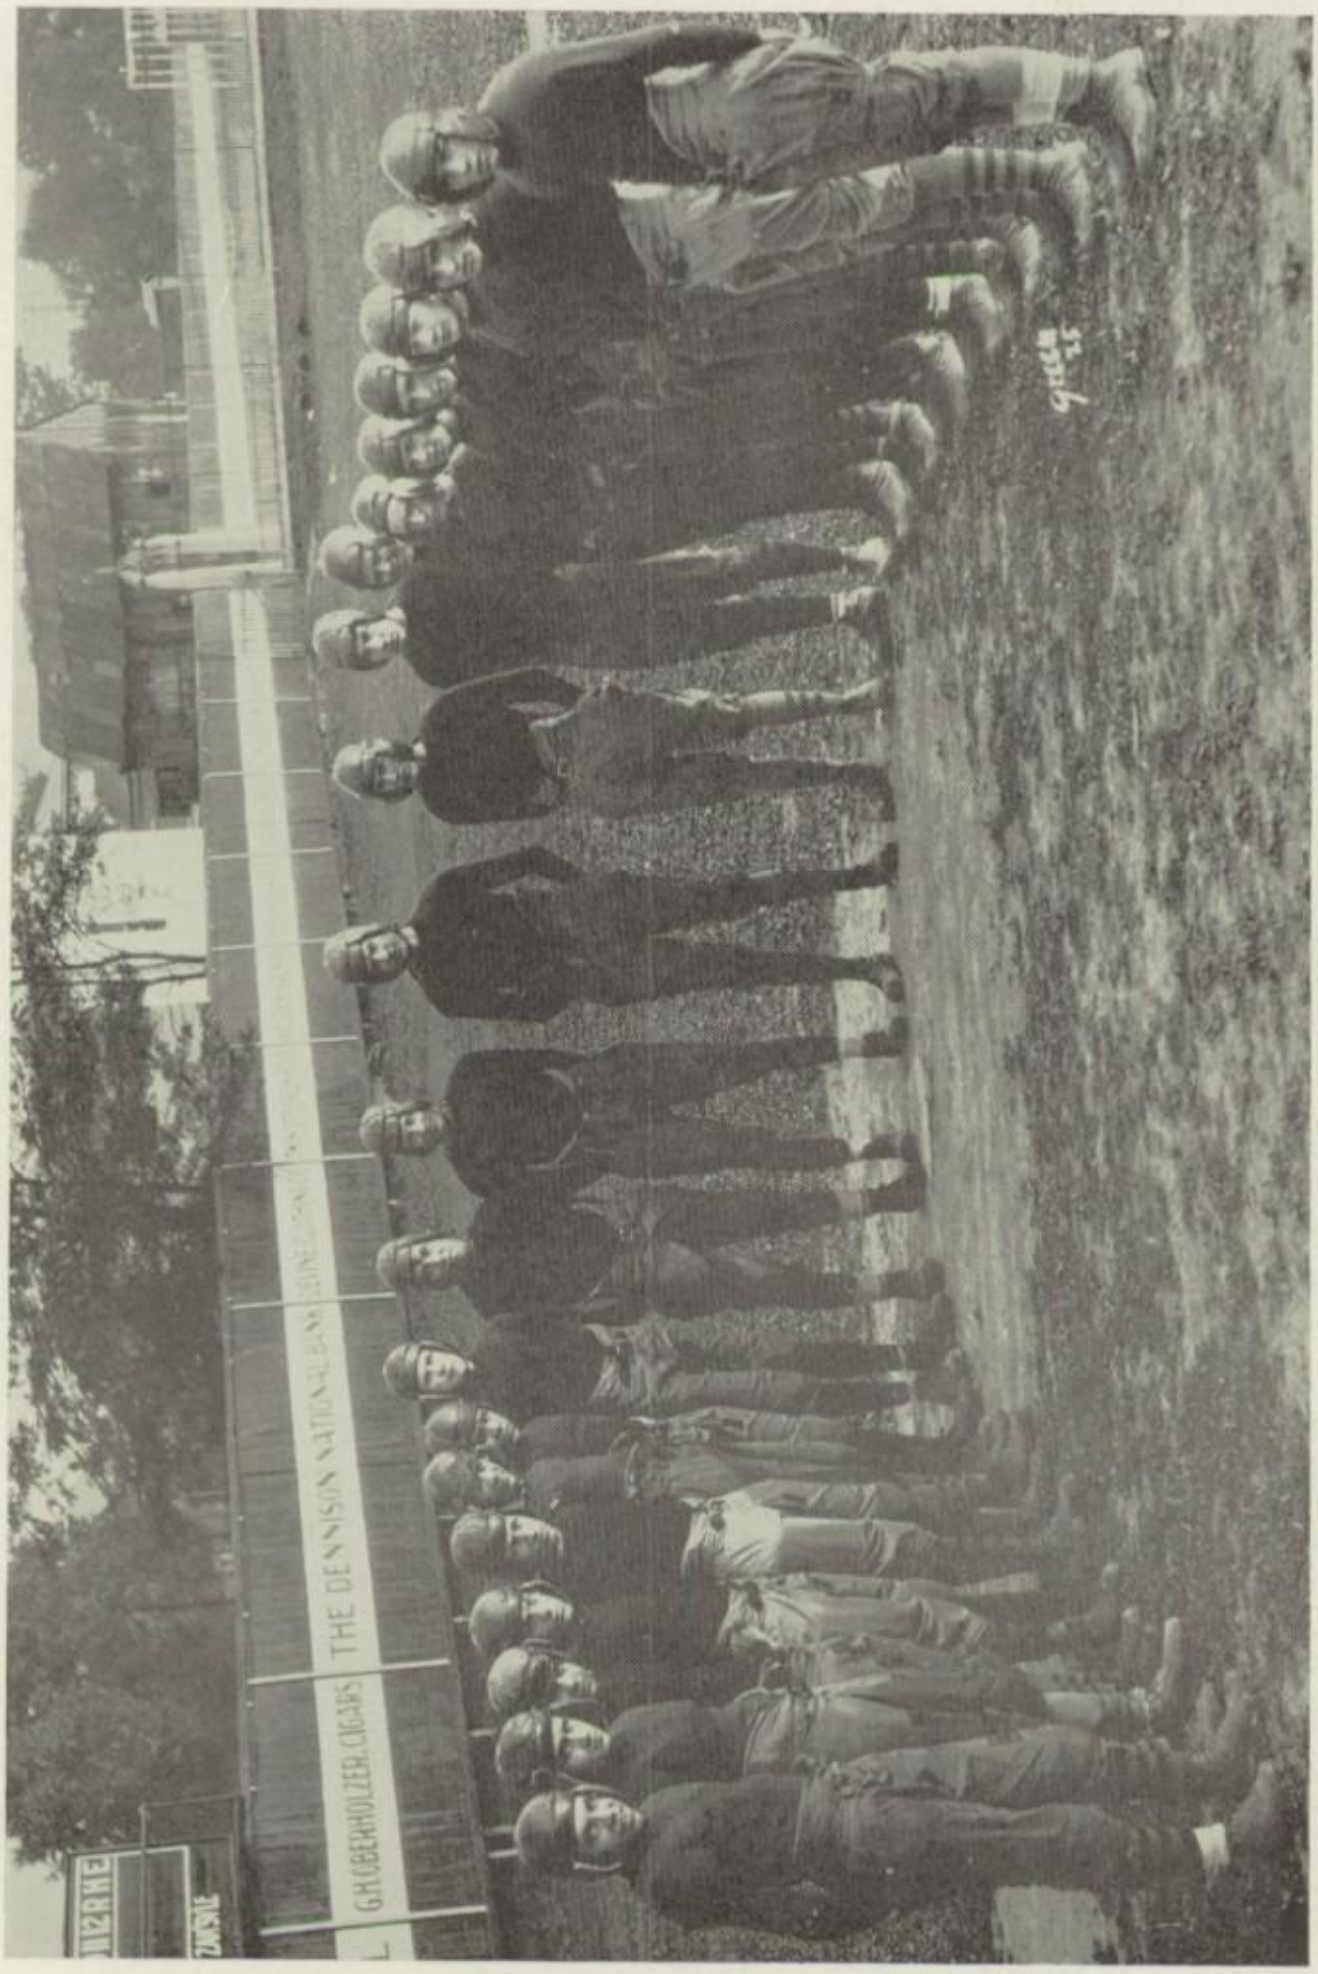
"J. P." gives promise of developing into a valuable end. He gave a good account of himself this year whenever called upon.

THOMAS PRINGLE—*Tackle*

Lack of weight was Pringles only handicap. He played his best game against Coshocton.

EVERETT BROMWICH—*Guard*

"Sandy" was in every play and received more than his share of hard knocks, but he always came back for more. He has one more year to play.



VARSITY SQUAD

Boy's Basketball

During the past basketball season Uhrichsville High won nine of the sixteen scheduled games. Although losing to Dover and New Philadelphia by close scores, we swamped our other county opponents, Dennison and Newcomerstown by large scores.

The Orrville game was probably the outstanding one of the year. Neither team was able to gain an advantage until the final quarter when a quartet of field goals put the black and gold tossers out in front. The final score was 29—20.

The 27—19 victory over Cadiz marked the final appearance of Greenlee, Furbay and Captain Long in a black and gold uniform.

BASKETBALL SQUAD

CHESTER LONG—*Captain and Forward*

Besides scoring his share of points "Chet" kept his team fighting from whistle to whistle, regardless of the score. This is his last year.

JESSE DEMPSTER—*Forward*

Jesse was the "flash" of this years team. He led his team-mates in points scored and in addition played a good floor game.

HALDEAN CUMMINGS—*Center*

Although rather inclined to confuse the court game with that of the gridiron, "Hall" did show flashes of real ability and should show some real form next year.

ROBERT MARSHALL—*Guard*

"Bob" is the type of player who puts everything into the game. Although smaller than most of his opponents, he was never outplayed.

ALVIN GREENLEE—*Center and Forward*

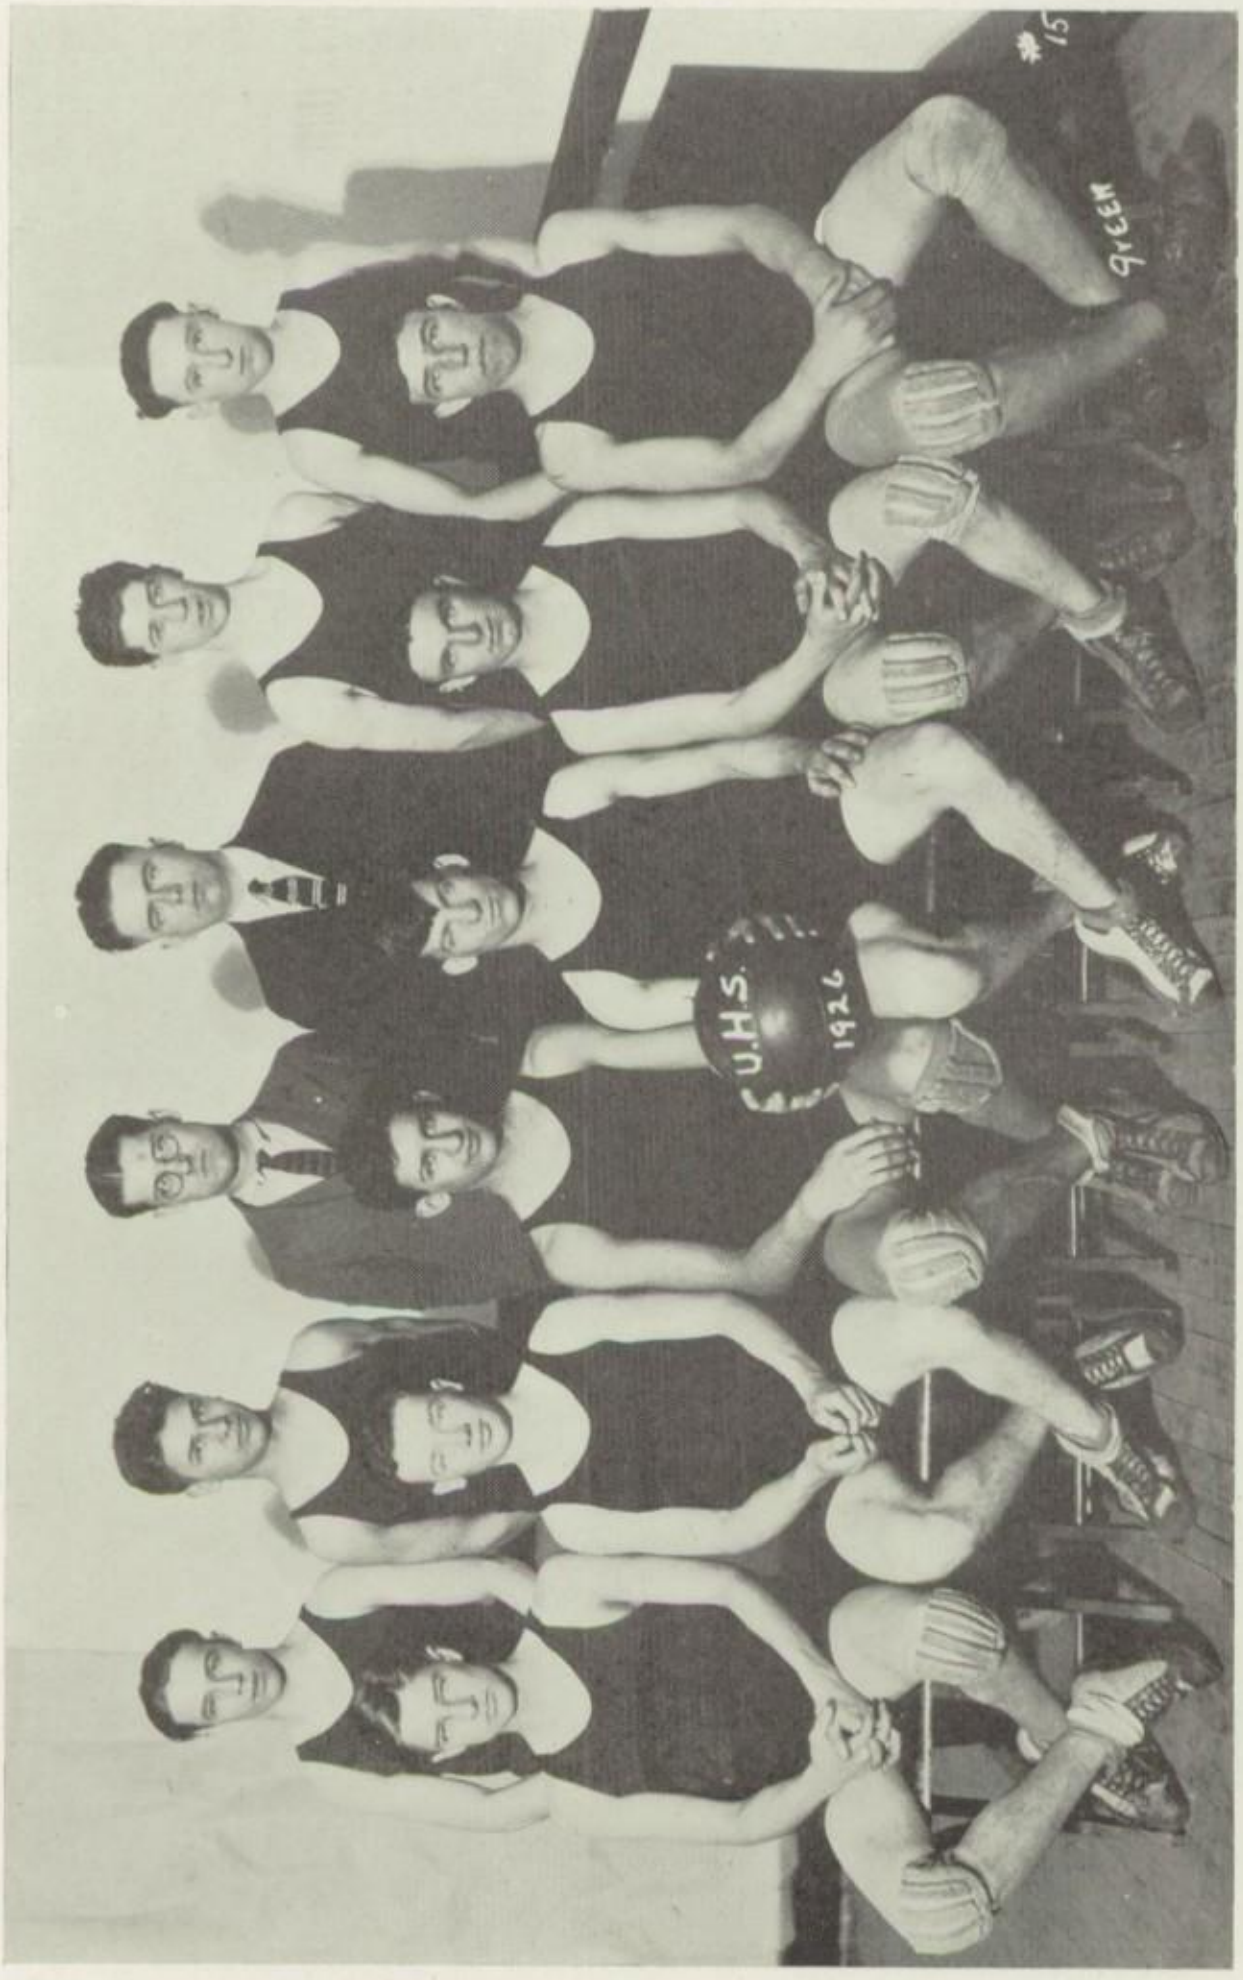
"Al" played the same steady, reliable game all the time. He was especially effective against Dennison and Cadiz. He graduates this spring.

JAMES RONALD—*Utility*

A Sophomore who plays the type of game that "Jimmie" did this year should prove himself a veritable whirl-wind by his Senior year. He fills either a guard or forward position equally well.

LONNIE FURBAY—*Guard*

Sickness and injuries have interfered somewhat with the athletic career of Lonnie. He has, neverthless proved himself one of the most capable guards to represent Uhrichsville High School in recent years.



BOYS BASKETBALL TEAM

Moose

The Moose Team composed of the school's heavy-weights and coached by Principal Shimp made an envious record for themselves. Their one defeat of the season, at the hands of the Newcomerstown Seniors, was due to a combination of circumstances, some of which were beyond their control.

VARSITY FOOTBALL TEAM

Girl's Basketball

The girl's team had a very successful season, losing only two games out of eight.

The first game with Newcomerstown was fast and furious but we lost. The Alumni and Cadiz games followed. In these we played real basket ball and Alumni was defeated by one point while Cadiz was a walk away.

The New Athens and West Lafayette games were easily won. The last game of the season with Cadiz was one of the fastest. Each girl played her best and we came home victors.

With but two members of last year's varsity teams for a foundation our new coach Miss Wiest did wonders.

"Brakie" our second year varsity forward could dodge her guard and find our basket. As for her swift work with "Pat" she could not be excelled.

"Pat's" hobby was field baskets. "Robbie" our star sophomore forward showed her metal this year. We expect great things from her next year.

"Ricey" in her first year as a varsity player displayed her powers as a forward.

"Fairy" Taylor as a guard was hard to shake. She met her Waterloo at the West Lafayette game. However she proved to us that size is not every thing.

Siegrest was always with her forward in all games, at all times. It was impossible to elude her.

GIRLS VARSITY

GIRLS TEAM

Van Lehn demonstrated her ability to block the path of the ball on its way to the basket.

"Wilky" our captain has been a valuable member of the varsity for two years and will always be remembered by her playing.

Our capable Manager Nedra Ramsour deserves credit for the many kindnesses which helped to pave the way to our victories.

So with almost a whole varsity team for next year, the Seniors leave you Captain "Brakie" with our best wishes for a successful season, both for you and your team.

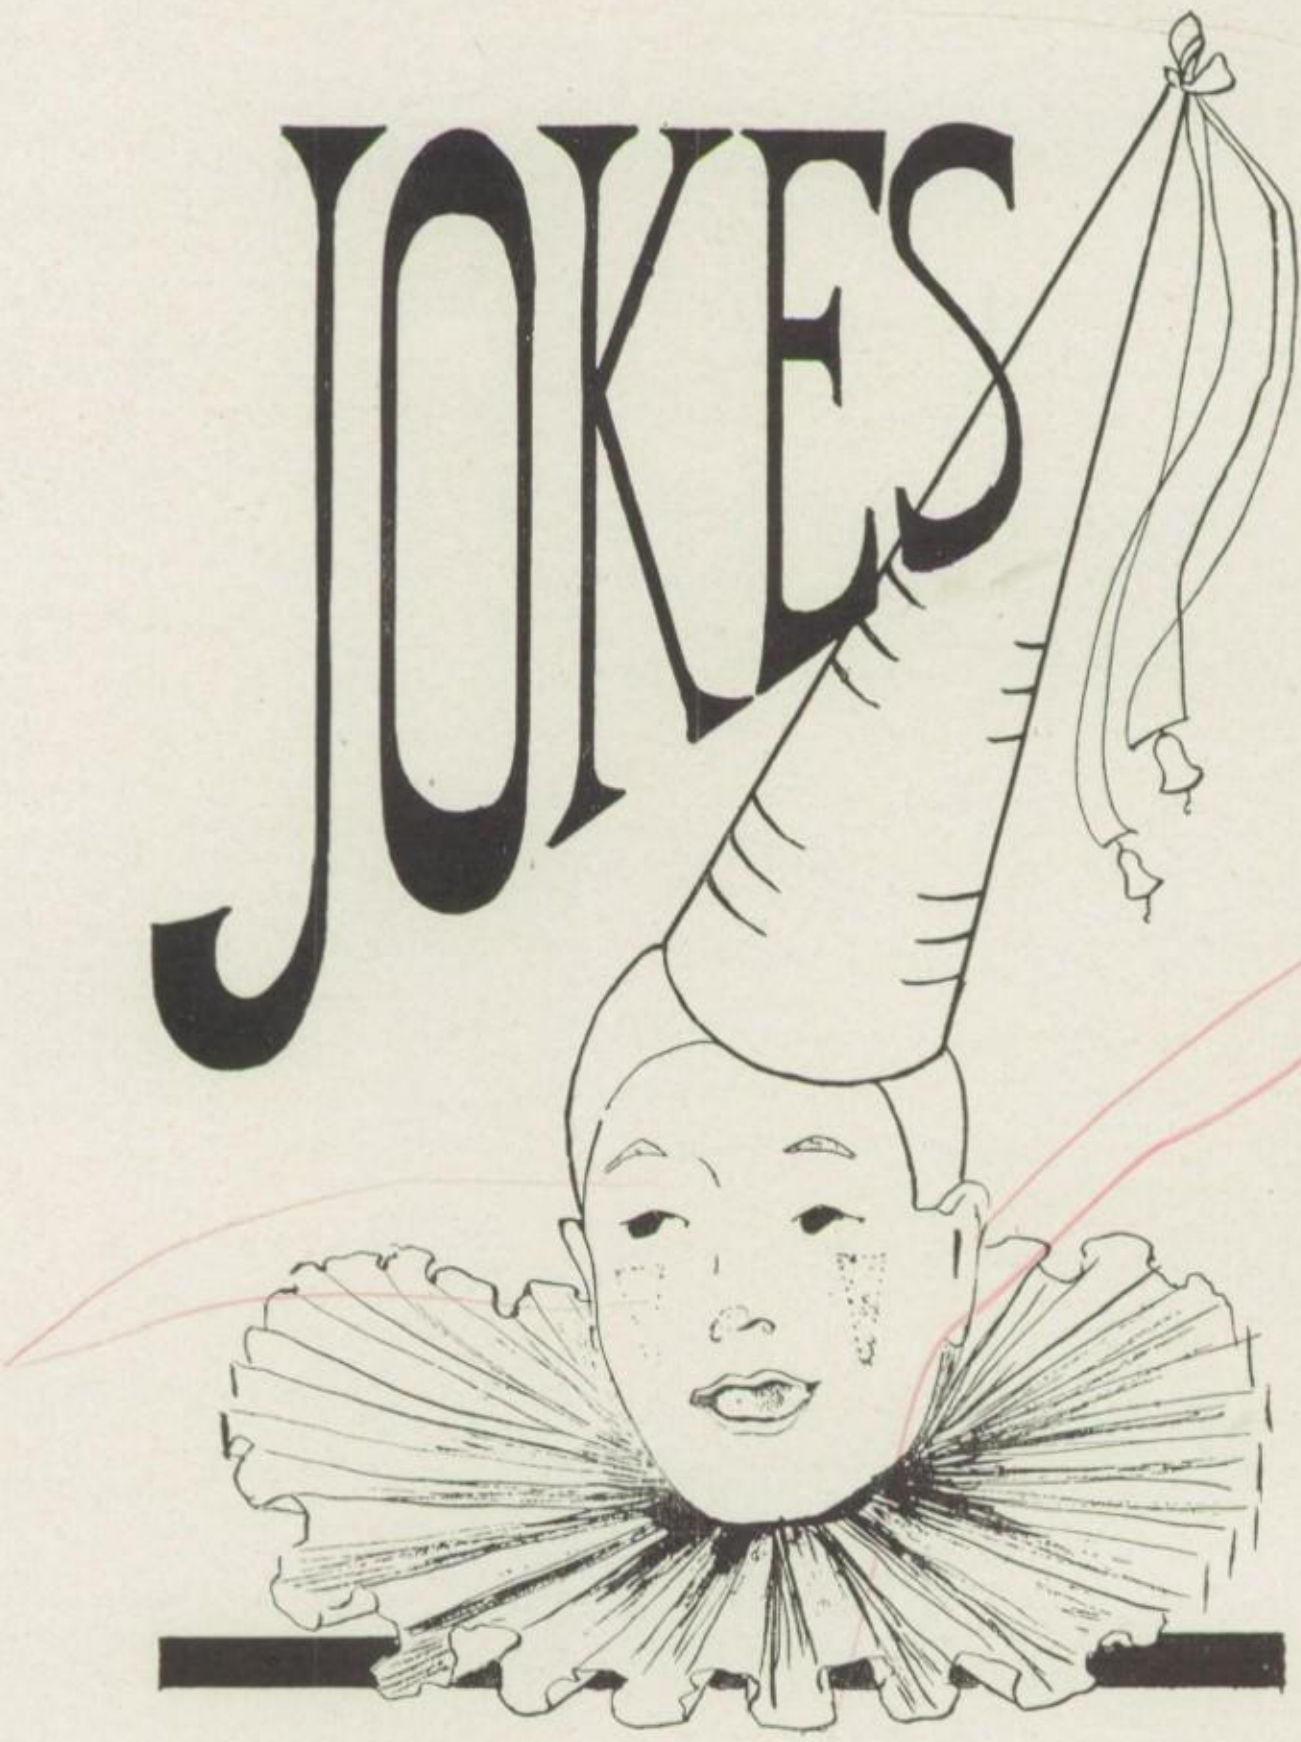
JOKES



Jokes

Miss Bargdill—"One thing, if you'd practice reading Spanish out loud at home, it would help you out quite a bit."
John—"yes, out the door."

Mr. Virtue—"Nedra, why did they build round towers on castles in medieval times?"
Nedra—"Well, so they could see around the corners!"

Miss Griffeth—"I'd like to buy a new pair of Zippers, but I haven't any money."
Miss McCann—"Oh, well, write a check."

Mr. Virtue (referring to Parliament's desire that Elizabeth marry) "Jim, what did Parliament want Elizabeth to do?"
Jim Maxwell—"Why er--step out and pluck herself a man."

Mr. Robinson—"Why don't they send cotton up to the North Pole?"
Haverfield—"They have furs."

Glenn Z.—"They had to stop the Covered Wagon in Cleveland."
Helen Davis—"Why?"
Glenn—"They had to grease the wheels."

Virtue—"Dietrich what are you doing in that seat?"
Roy—"Sitting in it."

Miss McCann—"Chester how many problems have you today?"
Chet—"None."
Miss McCann—"Well Chester, honesty is good for the soul."
Chet—"Yes, but not for the grade."

Nell Jones—"Be your age Art, but don't crawl."

Mr. Virtue—"What caused the growth of the automobile industry in Detroit?"
Art—"Tin."

Zimmie—"I just saw a horse with a wooden leg."
Ricey—"Where?"
Zimmie—"On a merry-go-round."

From Spud to Jessie—The goat is white,
The frog is green,
Such love as mine
Is seldom seen!

Mr. Roe—"Greenlee, why does a team of horses have to keep pulling a wagon after they once get it started?"
Al—"To keep from getting run over."

Johnnie Latto—"Why do you always have to call teachers Miss or Mr?"
Bill Rosel—"Respect your elders, Johnnie."

Mr. Robinson—"Students of today have too much money. When I was young I started out a bare foot boy."
Hal—"I wasn't born with shoes either."

Johnnie Latto—"Vini Vidi Vici"
I stooped I laughed I felt a draught."

Miss Wiest—"Look at that half ruined castle. It must be at least 800 years old."
Dorothy Stevenson—"Believe me, they don't build such ancient castles these days."

Mr. Pabst—"Now you must prove to me that the earth is round."
Theo—"Why I never said it was."

Mr. Pabst—"What insect lives on the least food?"
Ruth Taylor—"The moth—it eats holes."

Bill Evans—"Can I go over to 209 to speak to a fellow?"
Miss McCann—"I know you can, but that is not saying that you may, Bill."
Bill—"Oh, I don't know enough English to get what I want around here."

Edna Kelly—"Give me a quart of oil."
Garage man—"What kind, heavy?"
Edna—"Don't get fresh."

Bill Lobb—"I know where you can get a good chicken dinner for 25c."
Archie—"Where?"
Bill—"Down at the feed store."

Waiter—"Aren't your eggs cooked long enough sir?"
Mr. Roe—"Yes, but not soon enough."

We may live without friends—we may live without books,
But civilized men cannot live without cooks.
He may live without love—what is passion but pining?
But where is the man that can live without dining.

Little one-half credits
Marked upon our slate
Give us Seniors lots of joy
Cause they help us graduate.

Dot Rice—"Don't sit on your thumb."
Junior Matson—"Why not?"
Dot—"Because there's a nail in it."

Mr. Robinson—"What is pasteurized milk?"
Archie—"It's milk you get from a cow that feeds in a pasture."

Bruce Ronalds applies at Maurer's for a job.
Mr. Maurer—"I'll give you $3.00 a week. What can you do, dress a chicken?"
Bruce—"Not on $3.00 a week."

J. Latto—"I want a new belt."
H. Myers—"How long?"
J. Latto—"I want to buy it you nut, not borrow it."

Mr. Pabst walking in Room 106 and seeing chair in corner—"Is this the dunce's chair?"
Loretta—"Well I don't know what you call it but that's where the teacher sits."

Mr. Robinson—"Is there any tin in a tin can after you take the paper off?"

Margaret Forster—"Say Dot, you don't have enough on.
Dot Rice—"Horrors, can you tell it?"
Margaret—"Yes your face is paler than usual."

Albert H.—"Say did you know that Johnnie had to have his picture taken over again?"
Bill Rosel—"Yes he had to have it taken in sections.

Carl Varner—"Pa I ain't got no syrup."
Father—"Gerald correct your brother."
Jerry—peering into his brother's dish—"Yes you is."

Zimmie—"What's that old hen eating them tacks for?"
Doyle H.—"Perhaps it is going to lay a carpet."

Mr. Shimp—"What would you suggest to reduce the number of times you are tardy, Betty?"
Betty—"Ring the gong after I get into the room."

Ricey—"Isn't it glorious to wake up in the morning and hear the leaves whispering outside your window?"
Tubby—"It's all right to hear the leaves whisper, but I can't stand to hear the grass mown."

Mr. Roe—"What is a circle?"
Dougie—"A round line."

Dedicated to Miss Bargdill and Mr. Pabst.

They stood beneath the mistle toe
He knew not what to do
For he was only five feet tall
And she was six feet two.

Miss McCann—"I want everyone in this room to quit talking" (reading from Bible) "Make a joyful noise unto the Lord."

Margaret Romig—"What's a cure for water on the knee?"
Bill Evans—"Try wearing pumps."

Art—"Excuse me Loretta for foxtrotting when they were playing a one step."
Loretta—"That was all right Art, I was waltzing."
